Wayne,

The statutory authority for the denial is IC 9-340C(1) and the attorney for the public body corporate and politic has reviewed the request. You have the right to appeal the partial denial under IC 9-343 and you have 180 days to do so. If you have any further questions, please contact Mike Gridley, City Attorney for the City of Coeur d'Alene.

Has your attorney reviewed that recommendation? No other tax entity in the state has reached such a conclusion. This has some very serious public relations implications for the city, which I'd like to try and avoid if possible. Please let me know ASAP

First names will not be provided because that would indicate gender. This is exempt from disclosure under Idaho Code 9-340C(1).

Thanks for the fast response. Looking at this on my BlackBerry it looks like the first names are not included. Would you please send the file that includes first and last names? Thanks

Subject: public records request

Hello, I am Wayne Hoffman, executive director of the Idaho Freedom Foundation. I am requesting under the state's public records law the names of each city employee, along with their titles, departments and rates of pay. This request is in conjunction with a larger transparency in government project being conducted statewide. Please email the data requested in an excel spreadsheet or similar document to wayne@idahofreedom.net. Thank you so much
